Extend Bus Line Terminal Point

POPPY DAYS ARE SLATED FOR MAY 23 AND 24

May 23 and 24 will be Poppy Days in Daly City and throughout the United States, Mrs. Olga Bordson, president of Daly City unit of the American Legion Auxiliary, announced today.

On that day everyone will be asked to wear a memorial poppy in honor of the dead of the two world wars and to make a contribution for the welfare of the disabled veterans, their families and the families of the dead.

Volunteers from the Auxiliary will distribute the flowers on the streets throughout these days. Mrs. Vivian Pahlka, Poppy chairman of the Auxiliary, will be in general charge. Plans are being made to cover the city completely so that everyone will have an opportunity to honor the dead and aid the living victims of the two conflicts.

"The Saturday before Memorial Day has been observed as Poppy Day in all parts of the country for many years," said Mrs. Bordson, in announcing the date of this year's observance. "Poppies have been worn in memory of the war dead ever since the close of World War I. They are replicas of the wild flowers which grew on the battle fields of France and Belgium, fought over in both wars, but they have come to symbolize memory for those who died in any part of the world.

"The poppies which the Auxiliary will distribute are all hand-made, shaped from crepe paper by disabled veterans working in hospitals and convalescent workshops throughout the country. The disabled men take special pride in making the flowers to honor their fallen comrades and the work is valuable to them as occupational therapy, besides bringing them much needed earnings."

Fractured Back Is Result Of Fall From Building

Losing his balance while working on a ledge of a building at 268 Los Olivos avenue, Monday afternoon, Senni Racett, 55, who gave his address as cabin 117, Mission Auto Court, received a fractured back.

The victim was taken to the Junipero Serra Hospital by Patrolmen Wood and Bertelli where he was treated by Dr. Lawler Drees. He remained in the hospital where his condition was said to be fair.

MAYOR MELFORD BATTYE PROCLAIMS MAY 18 TO 25 NAVAL RESERVE WEEK

MAYOR'S PROCLAMATION

WHEREAS, the right and privilege of a democratic people to determine for themselves individually, what part they shall take in either country's affairs is inalienable; and,

WHEREAS, it is also one of the virtues of our American system that whatever is done for the national good finds support in city, town, and hamlet, throughout the land; and,

WHEREAS, the New Civilian Naval Reserve, dedicated to the building of better citizens and the protection of this nation's costly investment in world peace, is a definite instrument for the good of all; and,

WHEREAS, the Civilian Naval Reserve offers training and educational opportunities to our young people, in addition to the voluntary role they assume with the Navy in peacetime;

NOW THEREFORE, I proclaim the week of May 18 to May 25 as Naval Reserve Week, confident that the citizens of this community will not

(Continued on Page 1)

Rodney Duffy Completes His Recruit Training

Rodney Owen Duffy, 17, USN, son of Mr. and Mrs. Robert Duffy of 141 Los Banos avenue, Daly City, has completed recruit training at the Naval Training Center, San Diego, California, and has been advanced to seaman, second class. Duffy entered the Naval service February 1, 1947.

Oakland Man To Be Arraigned At Court Session

James L. Williams, 39, who gave his address as 3932 Harrison street, Oakland, was arrested Wednesday night by Daly City police and charged with driving his automobile while allegedly under the influence of liquor.

According to arresting officers, Williams was driving north on Mission street from Hillcrest drive to Lowell street "in a very erratic manner" and "using the whole street to travel on."

The defendant was released early Thursday morning on bail of \$125 and will be arraigned next Friday before Police Judge William J. Sweeney.

Pedestrian Is Killed Sunday On Mission Street

William M. Lyman, 50, Mission Auto Court, who was struck by an automobile last Sunday morning as he attempted to cross Mission street near Eastlake avenue, died Tuesday night at Fort Miley Hospital.

Michael Terron, 17, alleged driver of the car who lives at 323 Moultrie street, San Francisco, told police that the victim walked directly into the path of the machine. Daly City police indicated Wednesday that no charge would be placed against the driver.

Crocker P.T.A. To Install Officers

The executive board of the Crocker P.T.A. met last Tuesday at the home of Ruth Morris, 186 Irvington street, at which time final arrangements were made for the installation of new officers and the teachers' luncheon which is to be held at the school next Tuesday at high noon. Mrs. Stella Jensen, parliamentarian for the Seventeenth District will act as installation officer.

POLICE CHIEF ISSUES WARNING TO ALL BOYS

As the result of the tragedy of ten-year-old Davie Patterson of San Francisco who lost one hand and a part of the other in the explosion of a blasting cap with which he was playing, Chief of Police William Sunderland Wednesday asked the cooperation of Daly City boys in reporting the finding of any caps in this section.

"While there has been no report of blasting caps being found around Daly City," said Chief Sunderland, "it is best to be on the safe side, and I urge all boys who find anything resembling the caps to report their find by calling Randolph 4212, or notifying the nearest police officer."

This is a description of the caps: Highly explodable, they resemble small pieces of copper tubing, are about 3 inches long, 3/8 inches in diameter, and are filled with a high explosive containing fulminate of mercury. Some of the caps have little wires coming out of the end. They are exploded by shock, pressure, heat or electric charge.

LOCAL BAND PLANS CONCERT FOR JUNE 1ST

In celebration of their twentieth anniversary, the Daly City Band will present their spring festival concert at Jefferson union high school Sunday at 2 p. m., June 1, it has been announced.

The program which will be announced at a later date will consist of popular and standard selections by such composers as Sigmund Romberg, Victor Herbert, Leo Delibes, John Philip Sousa, Curzon, and other well known composers.

A feature of the program will be the rendition of the band's prize winning parade march. Some fancy baton twirling will be demonstrated by Miss Lorraine Maculich, majorette of the band.

The concert will be preceded by an address given by Mayor Melford Battye.

S.F. Man Charged With Drunk Driving To Be Arraigned

Gerald E. Butler, 24, of San Francisco, will be arraigned Friday before Police Judge William J. Sweeney on a charge of drunk and reckless driving.

The defendant was arrested early Saturday morning by Patrolmen August Benassini and Arthur Linhares following a wild one-mile chase on Mission street. Butler was driving a motorcycle.

According to arresting officers, Butler had a gallon of wine strapped to his person. He gave his address as 1329 Forty-seventh avenue.

Thieves Break Into Lumber Co. Office Tues. Night

Gaining entrance by smashing a skylight, thieves Tuesday night entered the Daly City Mill and Lumber Company, 1859 Junipero Serra boulevard, and after ransacking the office, escaped with a check protector, a typewriter and an adding machine.

The thieves then visited the adjoining building occupied by the Dan Goodman Roofing Company at 1861 Junipero Serra boulevard by forcing a window on the ground level, where they obtained two company payroll check books.

DALY CITY COUNCIL ANNOUNCES S. F. BUS SERVICE TO COLMA

After working untiringly for more than nine months, the Daly City Council finally succeeded in convincing the San Francisco Municipal Railway the necessity of extending their No. 26 bus line to Market street in the southern limits of Daly City. At the present time this line terminates at San Jose avenue and Mission street in the center of the city.

Announcement of the extension was made Monday by Mayor Melford D. Battye following a conference with James H. Turner, manager of the utilities of the City and County of San Francisco. Councilmen Edward Dennis and Howard McHugh attended the conference.

Turner informed the conferees

that extension of the bus line would become effective Sunday and that it would grant local residents a 5 1/2 minute rush hour schedule.

In making the announcement of the new extension in service on the bus line, Mayor Battye said:

"It is such actions as this by our big neighbor to the north that aids and maintains the friendly and co-operative spirit that is so necessary to the future growth and expansion of the San Francisco peninsula. This is another of the many gestures that determine and establish inestimable goodwill between our two cities and the type of transaction that will result in our mutual advantages."

LIONS REPORT PROGRESS FOR BENEFIT SHOW

Raising funds for the purchase of a new boat for the Sea Scouts was the principal measure discussed Wednesday at the regular meeting of the Daly City-Colma Lions Club at the Estrada's Spanish Kitchen.

According to Art Kloth, chairman of the entertainment committee of the Lions club which is sponsoring a bang-up stage and screen show for the benefit of the scouts, the program is expected to go "over the top."

At Wednesday's meeting at which President Ed Byrne presided, it was announced that the work of refinishing the floors of two bowling alleys at the Lovchen Gardens had been completed. New pins have also been purchased.

"Aspects of labor and capital in the United States today" was the topic of a short address given by Ed Coopman of South San Francisco who was the speaker of the day. He was introduced by E. A. Weisenburger.

Civic Leaders Back Tax Increase For High School

Several civic leaders, in discussing the proposed tax increase for the Jefferson Union High school, are impressed by the small increase in actual taxes to be paid by the average voter. It was pointed out that the average taxpayer of this community owns only his home, which on the average is assessed at approximately \$1000. This would mean an actual increase of five or six dollars per year or approximately fifty cents per month.

The civic leaders agree that this was a very nominal increase for the benefits to be derived therefrom. Others in the group mentioned the urgency for the need of the local school for additional buildings to care for the increased enrollment.

The general belief was that if voters realize the nominal increase in their actual tax payments that they will willingly approve the proposition on the ballot by voting "YES."

MOTHER'S DAY

It's all so easy to take mother for granted. Her work is not spectacular and much of what she does is never even noticed by the family. Yet, without her there is no home in the real sense of the word.

Sunday, May 11, is Mother's Day. To show their love for her the other members of the family will give her a present—maybe several. Fine. But they should remember that they can show much more love by doing what they can each day to make her tasks lighter.

After all, the average American mother has nothing to do but take care of the house—dust it, sweep it, wash the windows, etc.—do the marketing, cook the meals, wash dishes, do the family washing, get the youngsters to bed at night (not easy), and up in the morning (harder), and off to school on time (terrific), buy their clothes, settle their quarrels, act as teacher counselor, confidant and comforter to them, and often serve as a consultant and advisor to her husband on his business problems.

In short, it's a tough job no matter how you look at it. Keep this in mind on Mother's Day and then resolve to make everyday Mother's Day by being more considerate of her. It will help you to appreciate just how much she means to the family. And you can be sure she will appreciate the appreciation.

MAY 8, 1945

Two years have already slipped by since that day when Nazi Germany formally acknowledged the defeat which both they and the rest of the world had long since recognized as inevitable.

Thus ended the second attempt by the Germans within three decades to fulfill their dream of world conquest. And thus began the staggering task of rebuilding Europe physically and morally after 5½ years of devastating warfare and degrading atrocities.

May 8, 1945, marked the beginning—it was hoped—of a new era for the Old World, an era of real peace and of understanding between nations. But on May 8, 1947, the ideological cleavage between the East and West is more sharply pronounced than ever. The inability of the Russians and the Western Powers to reach a working agreement on the unification of Germany has kept that country economically paralyzed. And this has seriously retarded the recovery of the rest of Europe.

After two years there is no peace, in any real sense of the word; hunger still stalks the continent, millions of persons remain homeless, freedom in many countries is still but a word, fascism is not dead, and over all hangs the black shadow of Communism.

This is the picture of Europe on the second anniversary of victory. It is certainly not what we fought for, but much of what we fought against.

Unless the nations—and we refer particularly to Russia—change their present methods and genuinely strive to work out their differences with each other, they will find that their enormous sacrifice made to achieve the victory of two years ago will have been wasted. It would be hard to conceive of a greater tragedy.

SAFETY DRIVE — DRIVE SAFELY

The National Safety Council is conducting a safety campaign during the month of May. The campaign includes all phases of safety—in the home, factory, school, recreational areas and on the streets and highways.

All of these are important but the greatest emphasis will naturally be placed on traffic safety. The increase in avoidable accidents on the road points to the urgency for a reversal in this trend.

Safe driving is simply sensible driving. It means keeping within the speed limit at all times and observing all other traffic regulations.

There has been much said about our inadequate highways as a cause of accidents. In fact, those groups which are still trying to put over the \$3 billion Collier highway bill keep claiming that the condition of the roads is the major cause of the high rate of traffic casualties.

Statistics show however, that it is not the condition of roads, but the condition of drivers and their cars—drivers who drink and cars not kept in proper repair—together with careless driving that account for high casualties.

And whether the Collier bill is passed or not there will be money enough to keep road building activities moving at full speed for years.

Incidentally, the refusal of many of the legislators to approve that measure arises from the fact that they do not feel satisfied with the present highway administrative set up. In other words, they object to raising billions in new taxes to be turned over to the Highway Commission which under present laws, can spend it virtually as it pleases within broad outlines. They feel that huge funds should be more adequately controlled—and they have a point there.

At any rate, as far as the safety campaign is concerned, real safety on the road as in the home and elsewhere must come mainly through the exercise of proper care by each one of us. Be sure and do your part—always.

News of Local Grammar Schools

Jefferson

Four new pupils have recently transferred into Jefferson first grade. They are Marilyn Davis, Barbara Coltrin, Tom Meihle and James Ludwig. Marilyn and Barbara are living in Garden Village, James in Castle Gardens, and Tom in Broadmoor. Tom is awaiting the return of his father from Europe where he went on a business trip for American Airlines.

On Friday the eighth grade class was taken to Golden Gate Park. For a number, strange as it may seem, this was their first visit to this beauty spot. Fortified with over-sized lunches, the group met at "the top of the hill" in time for nine o'clock transportation. At 19th avenue and Lincoln way, the day really began. From here the group hiked to Stowe Lake, then around the lake, over the bridge and to the top of Strawberry Hill. This itinerary was planned at the start to take care of all the pent up desires to run and jump and laugh and play and "horseplay" and to get the feel of "big open spaces." Having worked off surplus energy in this way to their hearts' content, a rather quiet, circumspect group wandered around the paths of the Tea Garden, intrigued with Buddha, the bridges, the wishing-well, the little stream, the tea house, and the breath-taking beauty of the setting. Reluctantly, they left, but now, though only 11:30 a. m., the pangs of hunger took priority over any further sight-seeing. (In fact, since ten o'clock, the boys had been clamoring for lunch.) So, seated on the grassy slopes near the band stand, a leisurely picnic was enjoyed to the fullest. After this there was play for some, meandering around for other, and just stretching out on the lawn in the sun to relax and day-dream for still others. Then, in the afternoon, came the aquarium, African Hall,

Academy of Science, the museum and, oh, yes, the seals. Then, more play, more hiking, more relaxing in the sun, content by now to watch other sightseers wear themselves out. Finally, the trek to 19th and Lincoln way, a crowded old bus, but a completely happy group. (Yes, they were ALL "good.")

Upwards of 150 people visited Jefferson school on the two days designated "Open House" days and others wandered in and out during the week. All classes held programs related to the work done in their grades. Hall exhibits attracted much favorable comment.

Woodrow Wilson

Billy Morgan of the high eighth grade was awarded the Red Cross insignia for special accomplishments. Woodrow Wilson is very proud of Billy.

The high fourth class is continuing to work on the unit of California Missions. This week they are working on Missions Santa Clara and San Buenaventura.

The students of the high seventh and low eighth grades for grammar work have been writing letters of application. Advertisements were cut out of the Sunday Examiner, and each student answered one of these advertisements. The letters were interesting and instructive.

The boys and girls of the fifth grade welcomed their mothers and visitors at school Monday, April 28. In observance of Public Schools Week all schools were open to visitors so parents could visit classrooms.

The high third and low fourth grades were very happy to welcome their mothers on Monday morning. They demonstrated one of their regular everyday arithmetic lessons to a group of interested mothers.

The sixth grade boys and girls are studying about how our early colonists farmed and lived. They are learning that it was necessary to work very hard in order to live.

The sixth and seventh graders are preparing reports on the explorers. They are studying the part of the New World that was discovered and explored by the Spanish. They are making a map showing the countries of the West Indies and Central America.

Surprise Shower For Shirley Jones

Mrs. Anna Fasshauer and her daughter Edith gave a surprise shower for Shirley Jones, of 368 Vista Grande avenue, at their home recently at 401 Vista Grande avenue.

The shower table was decorated with a white crepe umbrella. Refreshments were served downstairs in the social hall which was decorated with white wedding bells. The center-piece of the table was a white cake decorated with two hearts bearing the names "Shirley and Geoff."

Many beautiful gifts were received for their new home which is to be in Richmond.

The wedding date has been set for June 29 at 4 p. m. at the Grace Presbyterian church in Daly City.

Those present were Mesdames Fern Jones, Marcie Trier, Mary Crane, Sue Sanders, Virginia Silicea, Andra Teal, Sylvia Hassett, Emma Hassett, Emma Sorg, Julia Schauer, Jean Janssen, Fay Leger, Adele Rachioni, Teresa Ferguson, Eloise Harrison, Virginia Tabarez, Anna Fasshauer, Pearl Jones.

Misses Josephine Rivas, Laura Hassett, Margaret Hassett, Celia Hassett, Betty Rivas, Helen Ver-ville, Lorraine Sanders, Nancy Sorg, Edith Fasshauer, Mary Falbo.

Calif. Consumers Are Resisting Inflated Prices

California consumer resistance to inflated food, clothing and building materials prices, and lessening in purchases of most luxury or postponable items is increasingly evident in recent months, and there is a downward trend in commercial construction volume, Frederick J. Koster, former president of the California State Chamber of Commerce, declared today in an economic report to State Chamber directors.

"Although somewhat obscured by divergent trends, data available indicate that economic forces responsible for continuous expansion of industrial output and facilities during the year beginning in February 1946 lost their predominance two months ago," Koster declared. "Total employment increases in the last two months have been under seasonal normal.

"Total civilian employment in March was 3,522,000, according to state departments, or slightly under February. Unemployed in March were estimated as 430,000, or about 10,000 less than in February, compared to 475,000 unemployed in February 1946. The number of compensable claims rose from a weekly average of 158,000 in February to 160,000 in March, and 165,000 during the first half of April. An April uptrend in such claims occurred in the Los Angeles and San Francisco Bay metropolitan areas, contrasted to an opposite trend elsewhere. Increase in unemployment in the Los Angeles area—when total employment is increasing—is attributed to heavy in-migration, and re-entrance into the labor force of housewives or others seeking to augment family budgets.

"Price declines in some items brought the food segment of the cost of living indexes for San Francisco and Los Angeles below the peak of November 1946. However, this has been offset by continued increases in clothing and house furnishings costs, with the result that the San Francisco general index rose from 158.1 in February to 160.3 in March, compared to 133.6 a year ago.

"Manufacturing rose slightly in the San Francisco Bay area during March, compared to February, and decreased in Los Angeles county in the same period. Consequently, California's total of factory production workers remained practically unchanged at 468,000. Seasonal rises in food processing industries failed to develop. Preliminary data indicate some decrease in the paper, prefabricated housing and furniture industries, with metal fabricating levelling off. Automobile assembly employment increased, but expansion is delayed by parts shortages. Aircraft employment is fairly stable, with some March layoffs in the San Diego area.

"Most industrial localities report a drop in inquiries for industrial sites, and a tendency to postpone actual plant construction. This is attributed largely to high construction costs, uncertainties as to future labor costs or demand, and price trends. Factory production in many instances is on a day-to-day basis, to avoid heavy inventories at high costs."

Court St. Mary To Elect Officers On May 15th

Court St. Mary No. 1155, Catholic Daughters of America, will hold election of officers at the meeting to be held on May 15, at Masonic Hall at 8 p. m., it has been announced.

A large group of members received communion in a body at Our Lady of Perpetual Help church on Sunday, May 4.

The next sewing meeting will be held at the home of Ida Forest, 499 Niantic avenue.

Helen Rode and Helen McDonough will hold a party at the home of the former on Thursday, May 8, at 1:30 p. m. A social evening is being planned for the evening of May 15.

Chinese Aristocrats

Chinese aristocrats wore gold cases over their long finger nails during the time of the Chinese empire. This was symbolic of the fact that members of this class did not have to work with their hands.

Story Of The American Legion

The Forty and Eight

World War II veterans who render outstanding service to the American Legion may qualify for election to membership in the Forty and Eight, the fun and honor society of the world's largest veteran's organization, whose miniature engines and box cars have been popular features of national convention parades for years.

Daly City Post No. 410 now has a membership of 195 of which number nine comrades enjoy the privilege of belonging to the forty and eight society, according to Commander Henry Prziborowski.

Membership in the Forty and Eight is by invitation, and upon acceptance into the society a member becomes a voyageur. As is readily noticeable all terms and titles used in the society are French and have their origin in the fraternization of the veterans of World War I with their buddies, the poilu on French railroads. Hence the correct name of "La Societe" des

quarante hommes et huit chevaux" from the inscription on the little French boxcars.

The society is organized by counties and there is a voiture in nearly every county of the nation with a total membership of 72,098 voyageurs.

These voyageurs are the shock troops of the "American Legion." During 1946 they brought 534,966 members into the Legion.

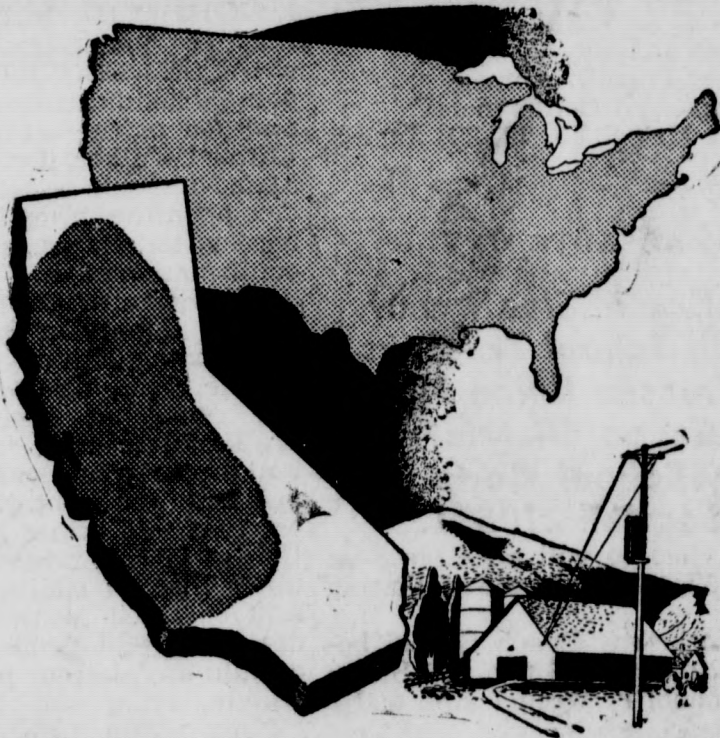

La Societe was organized in Philadelphia, Pennsylvania, in February 1920. By national convention action in 1921 it became the "corps d'elite" of the Legion, outstanding in good works as well as in fun.

In addition to supporting all Legion programs the 40 and 8 has its own 9-point 1947 program providing for recruiting members for the Legion, building its own membership, sponsoring of a nurses' training program, operation of trained, uniform ritual teams for induction of new members into Legion posts, child welfare, disseminating information about Hensen's Disease, raising milk funds for underprivileged children and funds for saving children's sight,

FARM POWER IS CHEAP in NORTHERN and CENTRAL CALIFORNIA

The electric power bills paid by farmers of Northern and Central California are among the lowest in the nation. Latest rural electrification statistics show the following comparison in average cost per kilowatt-hour for rural power service:

R. E. A. Cooperatives

SOURCE: Official report of the Administrator of the Rural Electrification Administration 1946.

All other utilities (National Average) 2.37 cents

SOURCE: Edison Electric Institute.

P. G. and E.

1.68 cents

The widespread use of cheap electric power has contributed much to the national leadership now held by California agriculture in crop diversity and production. Electric-powered pumps irrigate the lands to bring higher yields and crop frequency. Electric-driven mechanical helpers offer the farmer speed and economy in performing his farm chores. And in the farm home, electric appliances provide all the conveniences and comfort of urban living.

School Tax Election Notice

NOTICE IS HEREBY GIVEN to the qualified electors of JEFFERSON UNION HIGH SCHOOL DISTRICT, a Union High School District of the County of San Mateo, State of California, that in accordance with law, an election will be held on the 16th day of MAY, 1947, at those certain buildings designated as follows:

In precinct No. 1, at the ROCK-AWAY BEACH SCHOOL located at Rockaway Beach; in precinct No. 2, at the Sharp Park School located at Sharp Park; in precinct No. 3, at the Jefferson Elementary School located at Alemany and Market Streets in Colma; in precinct No. 4, at the Woodrow Wilson Elementary School located at 344 Santa Barbara Avenue in Daly City; in precinct No. 5, at the Crocker Elementary School located at 645 Bellevue Avenue between Evergreen and Roosevelt Avenues in Daly City; in precinct No. 6, at the Bayshore School located on Oriente Street between Geneva Avenue and Otilia Street in Bayshore; and in precinct No. 7, at the Brisbane School located on Eldorado Street in Brisbane; in said District, between the hours of 6:00 o'clock A.M. and 7:00 o'clock P.M., during which period and between which hours the polls shall remain open, at which election there will be submitted the question of increasing the maximum tax rate from \$.75 to \$1.35 to provide money for the purpose of raising money for the following purposes:

The erecting of urgently required buildings and of meeting the increased costs of instruction, operation and maintenance, including adjustment in salaries, said rate to be in effect in the said school district for the years 1947-1952.

All the foregoing purposes enumerated herein are hereby united and shall be voted upon as one single proposition.

That in said Precinct No. 1, Mrs. Inga B. Probst will act as Inspector, and Mrs. Marian Laskey and Mrs. Lenore Rich will act as Judges of the election and conduct the same in said precinct;

That in said Precinct No. 2, Mrs. James Fenton will act as Inspector, and Mrs. Palmer Stenerson and Mrs. John Kinst will act as Judges of the election and conduct the same in said precinct;

That in Precinct No. 3, Mrs. Aileen Sini will act as Inspector, and Mrs. May Conserva and Mrs. Catherine Hollingsworth will act as Judges of the election and conduct the same in said precinct;

That in said Precinct No. 4, Mrs. Marie Miller will act as Inspector, and Mrs. Ida Hanley and Mrs. Madeleine Fellows will act as Judges of the election and conduct the same in said precinct;

That in Precinct No. 5, Mrs. Julia Jordan will act as Inspector, and Mrs. Ann Eason and Mrs. Jack Fields will act as Judges of the election and conduct the same in said precinct;

That in said Precinct No. 6, Mrs. Jessie Ford will act as Inspector, and Mrs. Fry and Mrs. M. Piccard will act as Judges of the election and conduct the same in said precinct;

That in said Precinct No. 7, Mrs. Daisy Truelson will act as Inspector, and Mrs. Myrtle Tikkanen and Mrs. Van Kirk will act as Judges of the election and conduct the same in said precinct;

That the persons hereinabove named to act as inspectors and judges in the seven precincts to conduct said election are competent and qualified electors of said school district.

The words to appear upon the ballot will be:

"FOR THE PROPOSED INCREASE IN THE MAXIMUM TAX RATE FROM \$.75 TO \$1.35 TO PROVIDE MONEY FOR THE PURPOSE OF ERECTING URGENTLY REQUIRED BUILDINGS AND OF MEETING THE INCREASED COSTS OF INSTRUCTION, OPERATION AND MAINTENANCE, INCLUDING SALARIES, SAID RATE TO BE IN EFFECT IN SAID JEFFERSON UNION HIGH SCHOOL DISTRICT FOR THE YEARS 1947-1952.....YES

"FOR THE PROPOSED INCREASE IN THE MAXIMUM TAX RATE FROM \$.75 TO \$1.35 TO PROVIDE MONEY FOR THE PURPOSE OF ERECTING URGENTLY REQUIRED BUILDINGS AND OF MEETING THE INCREASED COSTS OF INSTRUCTION, OPERATION AND MAINTENANCE, INCLUDING SALARIES, SAID RATE TO BE IN EFFECT IN SAID JEFFERSON UNION HIGH SCHOOL

News Notes Of S.M. Jaysee

With midterms and plans for the 25th Anniversary week of May 19-24 keeping them busy, San Mateo Junior College students are still holding their conference sports, arranging their term play, "Our Town," and working on a dance in the college gym this Friday evening.

Plans for the 25th Anniversary Year now include an open house at both campuses the evening of May 20, a Music Festival on the night of May 21, a Community Dinner at the Hotel Benjamin Franklin, the night of May 22, a presentation of the term play for alumni guests on the night of May 23, and an Alumni Dinner at the Hotel Benjamin Franklin, Saturday evening, May 24, with the alumni to be guests at a student dance in the college gym later that evening.

At the present time more than 100 students and faculty members are working on the Anniversary week arrangements. This large group is headed by a faculty committee including the three instructors who have taught the full 25 years at the college: Miss E. Gertrude Cook, Dean Harold Taggart, and Sam Francis, plus Dr. Elizabeth Balderston, Miss Ada Beveridge, Miss Dorothy Herrington, Dr. Frank Stanger, Erford McAllister, George Pomeroy, and Fredric Roehr, along with Miss Winifred Stetson and John Wrentmore of the student body. Miss Stetson is executive secretary while Wrentmore, a Sequoia Union High School graduate, is president of the student body.

Athletic events this week end include conference tennis Friday at Modesto, and conference baseball

Butte County Trout - - -

Trout anglers should enjoy excellent sport on the opening days of the season along the streams of Butte county, predicts National Automobile Club. Conditions for fly fishing should be ideal, and some good fish should be taken from Feather River and tributaries, Lake Almanor, Bucks Lake, Butt Lake, and Dodge Reservoir.

Telephone Co. Will Adjust Phone Charges

Lyle M. Brown, division manager for the Pacific Telephone and Telegraph company, announced today that due to the telephone strike, voluntary adjustments will be made in telephone bills for local service of customers having manually operated telephones whose service has been curtailed. The amount of adjustment, he stated, will depend upon local service conditions in each office from which customers are served and the length of time those conditions prevail.

Brown added, the company realizes the inconvenience the work stoppage is causing and regrets that the company is prevented from giving complete service.

Saturday at San Francisco J.C. On Saturday the faculty will attend the Northern California Junior College Conference meeting at Stockton Junior College.

JEFF HIGH SPORTS ----

By Tom Tromborg

After a long uphill climb that got them into a tie for fourth place in the first division, and an outside chance at taking the title, the Jefferson varsity suddenly took a nose dive and came out on the bitter end of a 14 to 2 slaughter.

Ottomello, way off his form, was knocked out of the box, only to have Christian, his relief pitcher, suffer the same fate in the hands of the revenging Bulldogs of San Jose. To put it frankly, the team was not in a fighting spirit and took the defeat lightly and without any apparent regret.

Micheletti, ace Indian second baseman, got three for four in his batting, for after striking out the first time at bat, he followed with three straight singles, accounting for three of the five hits for Jefferson. According to the latest reports the Jeffs do not end the season up in fourth place, but are now fifth, which makes them a second division club at the season's end.

Now that the season is over, it is easy to see that the varsity had an up and down season, and with a little more strength in its pitching staff it might have made the first division. As for fielding, the Jeffs showed increased improvement all along the way, but hitting at the plate probably cost them a higher rating in the league.

Following in the footsteps of the baseball teams, the swimming machine of Jefferson high failed to hold its own in the stretch and ended up near the bottom of the league in a most disastrous fashion. San Jose was the victor this time. The team started its practice season in a blaze of glory by defeating three city schools, then it won its opening league game against Burlingame. From here on the Jeffs met nothing but defeat, losing six meets in a row and hitting a rock bottom for league standings.

The record as it now stands showed Jeff to be a fast starter for this year, with a tendency to lag in the stretch, and then to fall completely in the end. There is an answer for this, however. The school does not have the reserve strength of the bigger P.A.L. schools, and, second, it has been found that this year in particular many boys have failed to keep their grades high enough to warrant their playing on the team. Varsity baseball was satisfactory. Track was creditable. Frosh baseball was a little disappointing, and swimming was a surprise, because of the string of defeats.

POSTPONE GAME

Coach South informed the senior boys that the annual pussy cat game that was to take place between the coming varsity and the graduating seniors will not be held this year because of a shortage of football equipment. Mr. South stated, "I already have over a hundred boys out for spring practice and yet I have less than 80 suits to equip them with."

However many boys still desired a game of some kind or another, so Walt Shannon, student body president, has asked for a basketball game between the faculty and the seniors. Though such a date has not actually been set, it is reasonably sure that the game will take place, because of the small amount of equipment that is needed to play.

INTER-CLASS SPORTS

Interclass sports is nearing its end, with playoffs between the different classes coming soon. No announcements have yet been made as to when these games would come but I'd say with reasonable certainty that it will be about in the middle of May.

SERRA LOSES

With Howard McDonald hitting a triple with the bags loaded, the fast moving frosh of Jefferson completely humbled the nine from Serra high in San Mateo. The frosh of Verducci got four runs on five hits in the first, one run on two hits in the second, one run on one hit in the third, and four runs on three hits in the fourth, to edge the strong Serras 10 to 4.

Morgan, the frosh pitching ace, held the opposition to four hits, one, however, being a cheap homer, when McDonald fell in left field after misjudging the ball and the batter scored. As the Jeffs came to bat, McDonald redeemed himself by hitting a line drive triple, scoring three batters and giving the frosh a commanding lead. At the present time the Indian lightweights are fourth in the frosh

league, with a one win and two loss count. Serra high had up until this time rated one of the better frosh teams in the Bay Area because of its triumphs over undermight be added that Serra badly defeated San Mateo and Sequoia. It beat San Mateo, who, in turn, pushed Jefferson around, who then turned around and gave Serra its worst beating of the season.

The once potentially powerful frosh of Jefferson were handed their third straight league defeat, which put them deep in the second division of the P.A.L. Frosh pennant race. Verducci's one fine team, rated one of the better teams in the league, has taken a turn for the worse, and has folded badly in the stretch.

Last Thursday, when defeated badly by Sequoia 10 to 4, the frosh were still rated an outside chance at ending somewhere near the top, but this defeat makes it three in a row. Errors marked the leading cause, and a slump at the plate didn't help any either. The only league win to date was over hapless Paly and that was a close one, 11 to 10.

Palo Alto high ended its undefeated swimming season by edging Sequoia 54 to 52, and therefore won claim to the 1947 P.A.L. swimming championship! The powerful Vikings went through their season without defeat; in fact, the Sequoia swimming machine was undefeated until it met Paly, with the winner not only winning the P.A.L. title, but also the distinction of being rated the best swimming aggregation in northern California.

Burlingame last week won the tennis title, also ending its season undefeated. Lincoln high of San Jose ended up in the first place position in varsity track, to win the title in the regular season.

In baseball, Sequoia had the best record in regular league competition, but the actual championship will not be decided until the playoffs are made.

At the present time San Mateo's frosh are leading the league, with a four win and no loss record in

D. C. Merchants Lose 7-5 Game To S. M. Blues

Although they put up a hard fought game, the Daly City Merchants went down to defeat Sunday before the San Mateo Blues at San Mateo Ball Park. The score was 7-5.

Fred Lucia took the batting honors for the local team when he got three hits for four times at bat. Fazio and Sick both got two hits after going to bat four times.

Both teams were tied until the last of the eighth when the victors drove in two runs.

The box score follows:

DALY CITY MERCHANTS				
	AB	R	H	E

league play.

SPRING PRACTICE

Final signups for spring football practice at Jefferson reached the total of 110, the largest in the school's history. However, actual practice will not begin until late in May. Practice will run for a period of two weeks, and in time the large number of turnouts will be whittled down to a number more suitable for efficient training. Experience will be lacking, but actual team strength will never be known until the fall when the Jeffs play in actual competition against other schools.

Under the coaching of Elman

Will Join Husband In Honolulu, T.H.

Mrs. Edward Martinelli jr., Rt. 1, Box 520, San Pedro road, Colma, sailed from San Francisco last Friday on the U.S.S. Randall for Honolulu where she will join her husband, Edward, 2/c storekeeper, U.S.N., who will receive his discharge from the navy next April.

Mm. F. Schauer Passes Away

William F. Schauer, 72, a resident of Daly City for the past forty years, died Saturday at Community Hospital in San Mateo. Death was due to natural causes.

Besides his widow Laura, he is survived by four sons, Fred, George, Albert, and William Schauer; one sister, Mrs. Martha Sohlmann, and one brother, Frederick Schauer, who is residing in Germany.

Funeral services were held Tuesday at 1:30 p. m. inurnment was in Cypress Lawn Memorial Park, with the Rev. Homer Pitman of Trinity Center Church of San Francisco officiating.

The deceased made his home at 285 Hillcrest drive.

New Mayor For Burlingame

Councilman Hugh S. Simonds, Jr., of Burlingame was Monday night named mayor of Burlingame by the City Council. He will succeed L. Herbert Harris.

Named as vice mayor to succeed Simonds was Leon C. Whitshell. The changes follow the council's established annual rotation of the position of mayor among councilmen.

Rose the tens and twenties basketball teams of Jefferson go into a two-week practice session in preparing for the full campaign in lightweight basketball. It is not known at the present time just what are the potentialities of either division. However, it is expected that the tens will be weak and inexperienced, and the twenties about mediocre in comparison to other P.A.L. schools.

READING & WRITING

BY Robin McKown

If you want to know what goes on in a sponsor's broadcasting room, take a look at Herman Wouk's novel, "Aurora Dawn," which will be a May Book-of-the-Month Club selection.

HERMAN WOUK

Aurora Dawn is the name of a soap, which, being practically identical with all other soaps, has to be sold by high-pressure methods, especially on the radio. The young man in charge of the Aurora Dawn account for the fabulous soap millionaire is Andrew Reale. Andrew Reale is in love with a model named Honey Beaton—her real name was "Laura," but the agency which managed her fortunes had decided on "Honey" for her and it fit. In spite of his great love, Andrew felt that stern duty called upon him to marry Carol Marquis, the millionaire's daughter, and get rich. He was a practical soul, you see.

Andrew's great scoop has to do with the time that he arranges to put on the air the adherents of a religious sect whose picturesque and slightly spicy confessions he feels will attract a wide radio audience. This will give Aurora Dawn the beat of the century. But in his plans, Andrew overlooks Father Stanfield, known as Faithful Shepherd, who when he finds how he is being used for selling soap submits a sermon on the text, "Let a hog in yer house, and he'll crawl on yer table."

Mr. Wouk gives the story a nice bucolic ending, for he lets his hero reform and settle down to raise Hereford cattle. You can believe that or not, as you like.

Herman Wouk knows the world of radio from personal experience. For five years he worked under the guidance of Fred Allen, contriving jokes (the cannibal had a sweet tooth; he always ate a good humor man for dessert), interviewing people with odd occupations (the lady blacksmith, the worm salesman, the window washer at the Empire State Building), writing sketches (Murder at Minsky's; Mountain Justice or the Judge Knew His Gavel Was Broken So He Didn't Give a Rap). At least that's Fred Allen's summary of his duties.

Kathleen Johnson Essay Wins In County Contest

Kathleen Johnson, eighth grade Jefferson High School, who won second place in the San Mateo county American Legion essay contest on Americanism, submitted the following essay:

"America's Contribution for a Permanent Peace"

This is the people's democracy. We must keep it wide and vigorous, alive to need of whatever kind, and ready to meet it, whether it be danger from without or well being from within. Hope and faith count much and without charity there can be nothing good, and that, having dared to live dangerously, we have learned to live generously, and believing in the inherent goodness of man, we can stride forward into the unknown with growing confidence.

The peace and prosperity of our own nation is a part of the peace and prosperity of the family of nations. We must realize that we can do the most good through the possession of the strength demanded by our world responsibilities as in all other worthwhile efforts, to discharge these responsibilities will require sacrifice on the part of all of us. We need again to take inspiration from our pioneer fathers who allowed no danger, no privation, no risk to block the way to freedom and independence they sought. Here in the United States they built national unity. In the Americas their sons are building hemispheric unity. With God's help, we, with the other powers, will build unity in the world.

Our country is what it is today and its citizens are what they are today because of our form of government, which provides freedom of speech, religion, press, action and greater prosperity for all, and which patriotic men and women, down through the ages have fought and sacrificed to establish and preserve.

Despite whatever disagreement there may be between some of us, let us never forget that we are all working humbly and wholeheartedly for the same goal—a country of peace, abundance and prosperity for all of our people no matter what race, of all groups—whoever they may be, wherever they may live.

The development of atomic energy holds great, but as yet unexploited, promises for the well being of civilization. Whether this promise will be realized depends on whether the danger of swift and unprecedented destruction can be removed from the earth. Whether it is removed depends on whether we and other nations move firmly, quickly and with frank transparency of purpose toward the goal of uniting all men of good will.

It is easy now to recall the achievements of all who risked their lives upon the battlefields and the ones at home who gave freely of their talents and resources to back up the fighting forces. The memory of loved ones who failed to return is still vivid. The scars of war are a constant reminder of the valor of those who fought and died to help win the battle over the forces of evil.

As we go forward toward the greatest contribution that any generation of human beings can make in this world, the contribution of lasting peace, we are asked to keep the faith. The only limit to our realization of tomorrow will be our doubts of today. Let us move forward with strong and active faith.

Keep Tree Fresh

An Xmas tree can be kept fresh if you set it up in a pan of water. Cut off the base of the tree at an angle at least one inch above the original cut and keep it standing in water during the entire period that the tree is in the house, adding water to the jar or tub in which the tree stands at intervals to keep the water level always above the cut. This method when used with fresh trees reduces the flammability as effectively as any fireproofing chemicals. Chemicals may cause the tree to turn brown or yellow or to lose its needles. The place you select for your tree should be well away from stoves, radiators and other sources of heat. When you smoke, keep away from the tree.

Eat More Under Lights

As the days get shorter, pullets have less time to eat, and this means less feed for eggs. By having lights in the laying house, the working day can be lengthened and egg production increased.

Special Services At Lutheran Church

"The Church and the Home" will be the topic of an address which will be given by Rev. Herbert P. Schroeder at 10:45 o'clock Sunday at the Bethel Lutheran Church, 2525 Alemany boulevard, in observance of Mother's Day. The choir under the direction of Waldemar Jacobsen will present special music. At 9:30 o'clock Sunday School and adult bible class will be held.

Driver's Right-Of-Way

Having the legal right-of-way at intersections does not always save you from the reckless driver, warns the Public Safety Department of National Automobile Club. Whether you have the right-of-way or not it is always wisest to approach an intersection with caution.

Lorelei Gamba And Rowland Hughes Unite In Marriage

On Saturday, May 3, the wedding of Lorelei Jean Gamba and Rowland R. Hughes took place in Mission Dolores church at 2:30 p. m. Many friends and relatives were present to witness the impressive double ring ceremony performed by Reverend Father Becker.

Louis Gamba escorted his daughter to the flower decked altar where Lorelei and Rowland repeated their vows.

Lorelei was dressed in a traditional white satin gown designed with a form fitting bodice, sweetheart neck, long-fitted sleeves and a full skirt with a train.

Her finger-tip veil of net and lace fell from a coronet of net and beaded orange blossoms. She carried a large French bouquet of white gardenias, roses and streamers of bouvardia with two orchids in the center.

Miss Karlene Kissinger as maid of honor wore an ice blue chiffon over taffeta gown, a picture hat to match and carried a French bouquet of pink carnations with streamers.

Performing duties of best man was Robert L. Leicht of Berkeley. Ushers were Raymond Gamba, Robert Collins and Jack Nagle.

Preceding the wedding Paul Walti sang "On This Day Oh Beautiful Mother" accompanied on the organ by Herbert Bergman.

Immediately following the ceremony a reception was held at the home of the bride's parents, Mr. and Mrs. Louis Gamba, 376 San Diego avenue. The bride's table was centered with a three-tier wedding cake with tall white candles placed on either side. More than one hundred guests were in attendance.

As a going away outfit the bride donned a smart grey gabardine suit with dark brown accessories and an orchid corsage.

Miss Barbara Lasher, cousin of the bride, caught the bouquet.

Lorelei, the daughter of Mr. and Mrs. Louis Gamba of this city, attended local schools. She graduated from Jefferson Union High school, Class of June '46.

Rowland is the son of Mrs. Evelyn Hughes of San Francisco. He attended Sacred Heart college and was graduated in 1944. He served two years in the U. S. Navy Air corps. He was honorably discharged May 1946.

When the couple return from their honeymoon they have an apartment awaiting them in San Francisco.

Fertile Java

From fertile, colorful Java—with its chattering monkeys, carabaos working in the fields, and natives dressed in sarongs and earrings—come some of the world's most valuable products. Rubber, quinine, sugar, coffee, tea, tobacco, kapok and teakwood, plus the bountiful crops of rice that help feed the island's own teeming population, are typical items high on the list.

DDT Smoke Battles Insects

War-designed to provide smoke screens for troops, smoke generators have been adapted by the army chemical corps for protecting orchards and row crops against frost and insects. Fourteen department of agriculture stations across the country now are testing DDT mixed with smoke to exterminate insect pests on grain, tobacco, fruit and vegetable crops. Regular army volunteers selecting the chemical corps for their service are trained to handle equipment useful in both war and peace.

Mr. & Mrs. Bertucci Celebrate Fiftieth Anniversary

More than 250 guests were present at a reception given last Saturday at 7438 Mission street in honor of Mr. and Mrs. Girolamo Bertucci who celebrated their fiftieth wedding anniversary. The couple have been residents of Colma for the past fifty years.

The celebration was arranged by the couple's children, Mesdames Katherine Bocci, Albina Collins, Vera Viola, Maybelle Vaccari, Miss Elsie Bertucci, and their three sons, Angelo, Albert and George Bertucci.

The celebration was held in Liberty Hall which adjoins the Girolamo home. A buffet supper was served. Musical selections were rendered by Harold Bocci on the accordion. He is a grandson of Mr. and Mrs. Girolamo Bertucci.

License Plates

Motorists who have received their 1947 license plates should place them on both the front and rear of their cars as soon as they are received, states National Automobile Club. During the war years motorists became used to placing only the rear plate on their cars. Now, when two plates are again being issued, they should remember that the front plate must be placed too.

Smooth Bromegrass

Smooth bromegrass is useful in combination with alfalfa or clover as pasture or hay. On rotation land this bromegrass-legume combination must be plowed down for row crops while still highly productive. Otherwise bromegrass may use all available nitrogen. Bromegrass is palatable, leafy, drouth resistant, a good sod-former and gives high forage yields.

Paint Remover

Don't be in too much of a hurry when you use paint and varnish remover. Give it time to soften the coating. The old paint or varnish then should be easy to scrape off.

News Notes From Cub Den No. 16

The regular meeting of Den 16, Cubs of B.S.A., was held on Tuesday afternoon to celebrate the birthday of one of its members, Bill Christie. After the presents were opened, and games played, the following boys partook of refreshments: Dick Brown, Dick Hopman, Bill Christie, Jerry Wacks, David Ward, Carl and Bert White, Harry Miller, Don Williams, and Dick Hiett.

The next meeting will be held on Thursday afternoon at the home of Mrs. R. W. Christie, 131 East Vista avenue.

Pseudo Helper Has Great Time With Car Crew

Peter A. Ulricksen of 174 Rae street, San Francisco developed a severe case of motorman complex early Tuesday morning.

Ulricksen, according to Daly City police was "well under the weather" when he rather unsteadily approached C. L. Wheeler, 1325 Ellis street, San Francisco, who happened to be the motorman of a streetcar which he was operating on Mission street within the city limits of Daly City.

Mr. Ulricksen, so the story goes, had his own ideas as how a streetcar should be operated, and immediately proceeded to "take over."

Now Mr. Wheeler is rather a mild-mannered man—and that goes for his conductor, George Rallis—and both men pleaded with the erstwhile motorman to "lay off—that they had everything under control.

"Lishen," Mr. Ulricksen is said to have exploded, "d'ya mean to tell ME how to run a car?" Whereupon it was further alleged that Mr. Ulricksen became very belligerent, so much so in fact that he was alleged to have broken a pane of glass from one of the car's windows.

As was pointed out before, both Mr. Wheeler and his conductor are mild-mannered men. They stopped

Things Really Happened To Moresco Family

There was plenty of excitement during the past week in the home of Mr. and Mrs. Angelo Moresco, 328 Railroad avenue, Colma.

Colloquially speaking, the "ball got rolling" early Friday evening when the couple's daughter, Miss Verna Moresco, the hazel-eyed, symmetrically curved member of the staff of the DALY CITY RECORD announced her engagement to George Bournellis of 10 Dartmouth street, San Francisco.

The announcement was made at a party given the couple which was held at the Club Casino. Incidentally, the couple had just finished getting top honors in a jitterbug contest held on the club's floor. Mr. and Mrs. "Chris" Christiana of Club Casino presented the couple with a bottle of champagne.

It was in a secluded nook (Miss Moresco blushing admitted) that Mr. Bournellis handed her a little box containing the engagement ring.

Ordinarily that would have been enough to cause excitement in the Moresco home. But an equal if not a more momentous occasion transpired about forty-eight hours later.

At exactly 8:56 p. m., Sunday, Mrs. Moresco gave birth to a baby girl at St. Francis Hospital in San Francisco. The baby which was named Karen Lynn, weighed seven pounds, 10½ ounces.

Quite naturally, it was with a flurry of excitement that Miss Moresco arrived at the office of the DALY CITY RECORD Monday morning.

the car at Hillcrest street where Mr. Ulricksen became the unwilling guest of Daly City police. He remained in the local hoosegow overnight in lieu of \$10 bail. Mr. Wheeler and Mr. Rallis declined to prosecute. But not so the police, and Mr. Ulricksen was charged with the well known charge of C. O. 209—which in the parlance of the City Fathers means "drunk in a public place."

- 8:30 p. m.—
Regular meeting, Court St. Mary No. 1155, Catholic Daughters of America, Masonic temple, 17 Hillcrest drive.

General Pershing P.T.A. Install New Officers

The General Pershing P.T.A. held its annual luncheon Tuesday afternoon and installed the following officers who will serve during 1947:

Mrs. N. E. Nenstiel, president; Miss Winifred McGrath, honorary vice president; Mesdames George Freeland, vice president; Steve Holcomb, treasurer; Abe Gensel, recording secretary; R. F. Hartmann, corresponding secretary; O. L. Wakefield, financial secretary; A. M. Rosenberg, historian; E. K. Whinnen, auditor, and F. W. Eder, unit counselor.

Honor guests introduced at the luncheon included Mr. and Mrs. R. L. Crane, Mr. and Mrs. Stanford Hannah, Mrs. H. P. Eder, Mrs. E. B. Ochander, Miss Winifred McGrath. Also introduced were presidents and past presidents of other P.T.A. units, including Mesdames Eve Hobbs, V. A. Cady, E. L. Miller, and Walter Hausler.

At 1:30 p. m., the business meeting was called to order by Mrs. F. W. Bauer. Various reports were made by the outgoing officers, chief of which was pertinent data concerning the school election to be held next Friday.

The new president of the organization made a short speech of acceptance, pledging herself and all incoming officers to uphold the standards and traditions of past years, and to strive for new goals.

Mrs. Nenstiel appointed the following members to serve on various committees: Mesdames George Freeland, program; J. S. Calvin, membership; Robert W. Pool, finance and budget; V. M. Faragher, publicity and publicity book; E. M. Eliassen, founders' day; Drew Eason, recreation; J. L. Doyle, sunshine; C. C. Bloom, pins and emblems; F. W. Bauer, hospitality; Abe Gensel, sewing; C. A. Thuener, citizenship; Miss Zimmerman, R. N., public health; Mesdames Lyl

Jefferson High School Will Need Additional Shop Buildings Soon

Jefferson Union High school's need for additional shop buildings is being emphasized by the registration for next fall, which is now under way.

"To permit all boys to take the shop courses they desire and should have would require an additional shop," stated district superintendent Stanford Hannah recently. "Auto Shop is very popular with the boys," continued Hannah, "but this is partly due to the fact that only auto shop and woodwork are available."

At the election to be held on May 16, the voters are asked to approve an increase of sixty cents in the tax rate for the purpose of providing urgently required new buildings and to meet increased costs. Most of the money raised by the increased rate will be used for buildings, according to school officials.

The growth at Jefferson Union High school is steady and will continue for years. The boys and girls are here now and in six or seven years the high school will double its present enrollment, according to figures obtained by the district office.

"The board of trustees believes a bond issue is not the best procedure for the high school district at the present time," says Remi Sanders, the chairman. "We can fi-

nance all the building we need to do in the next five years with this plan," added Sanders. "Five years from now, when this increase expires, we can consider the situation again. Circumstances may change considerably by then."

Support for the proposal of the board of trustees seems to be quite general. Assistance from the various Parent-Teachers Associations and others interested in the schools is expected to be effective.

The fact that the high school enrollment is now up to capacity in many departments and is far beyond capacity in others, especially the shops, is the cause for the requested increase in funds.

According to a survey, most of the residents of the district are working people. Most of the boys will enter some trade and therefore will profit most from good pre-vocational and vocational training. "To give this kind of education the school must have the rooms and the equipment," concluded the district superintendent's statement.

There has been much talk about juvenile problems and needed improvement in schools. The election on May 16 gives the people of this district an opportunity to act on a measure that will mean much to the young people now in the Jefferson Union High school and those who will enroll in the years to come.

County Recorder Submits Report

T. C. Rice, county recorder has submitted the following report of the activities of his office during the month of April. The report is as follows:

Number of papers handled in his office 5374; same month in 1946, numbered 5554.

Fees paid in April amounted to \$9,971.75 as against \$8,778.25 for the same month of 1946.

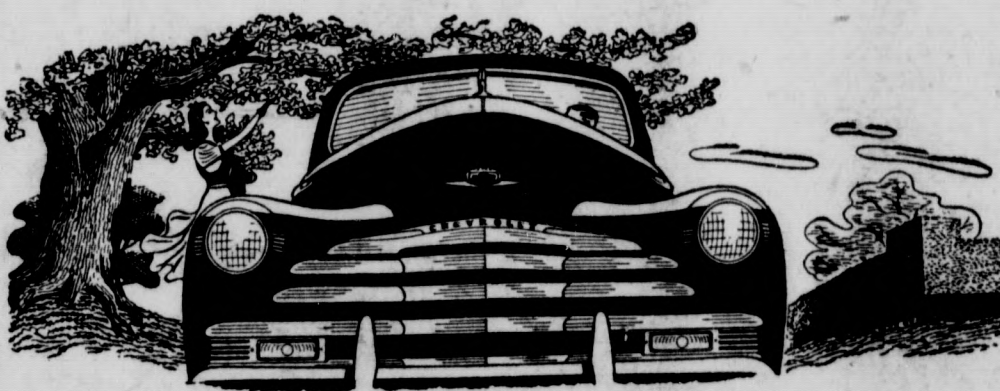

Marriages 139 as against 105 for April, 1946.

Service discharges: 67.

Proclamation

(Continued from Page 1)

fail to lend the full interest and support necessary to the success of the Naval Reserve Program.

Virtually every merchant in Daly City, together with members of various civic, patriotic, religious and fraternal organizations have pledged their cooperation for the observance of Naval Reserve week which will be held during the week of May 18-25.

Mayor Melford Battye who is honorary chairman of the celebration today named the following Daly City businessmen who will serve on the committee:

H. H. Smith, commander, Old Glory Post, VFW, active chairman; Stanford Hannah, superintendent, Jefferson Union High school; Ed Byrne, president Daly City Lions club; Eddie Dennis, Daly City councilman; Carter Callan, VFW; Harold Bradshaw, publisher, Daly City Record; Art Kluth, manager, Daly City theatre; R. L. Crane, superintendent elementary schools; Pete Markovitch, president, Daly City Merchants association; W. W. Sunderland, chief of police, and John Paxson, president-elect, Colma Vista Grand aerie, F.O.E., Judge William J. Sweeney.

Swanky Porkers Pine For Well Remembered Fare

Hogs out Colma way are getting pretty particular with regards to just what they eat.

This was brought to light during the past week in a suit filed with the San Mateo County clerk by the three proprietors of the Colma Hog Co.

It seems, according to the suit, that Major Phillips, proprietor of the Old Mission Restaurant at 3091 16th street, San Francisco, who made a contract to supply swill to the hogs, suddenly cut the supply off.

The suit further alleges that the hogs don't give a rap about the barley they are now receiving and that "plaintiff's hogs prefer swill to barley," and that furthermore "said hogs are not gaining weight on the barley."

The plaintiffs, L. Donati, A. Casentini, and G. Landi, allege that on January 25, the defendant broke his contract to supply 1½ to two barrels of solid swill, not including greens or foreign matter. The suit further alleges that the defendant had been paid \$100 in advance for a year's supply of swill.

Through their attorney, the plaintiffs seek \$960 for barley which they say they have been compelled to buy since the breaking of the contract, and \$250 for loss of weight incurred by the hogs.

Alleged Theft Case Dismissed In Police Court

Following a conference between Deputy District Attorney Burrell Karmel and Douglas M. Moore, attorney for the defense, the case against George Abrahamson, 1951 Geneva avenue, charged with petit larceny, was dismissed Wednesday morning by Police Judge William J. Sweeney.

Abrahamson was accused of the alleged theft of 4,000 feet of lumber from the contractors building Our Lady of Perpetual Help school on Wellington street.

The complaint was filed by Clarence Kowalski of 260 Kelton avenue, San Carlos, foreman on the construction work. He alleged that on the night of April 4, a truck was seen loading lumber at the school.

In asking for a dismissal of the case, Karmel pointed out that "Our Lady of Perpetual Help parish would sustain the ultimate financial loss" if the case were prosecuted. He told the court that the defendant, through his attorney, was willing to make restitution for the financial value of the lumber.

New Arrivals - - -

To the wife of Alfred G. Kanousis, 1047 Hanover street, April 24, a son.

To the wife of Donald M. Knudsen, 362 Irvington street, April 27, a daughter.

Eagles To Enter Aerie Team In Bowling League

Local Aerie, No. 1848, Fraternal Order of Eagles at a meeting held Wednesday night mapped out plans for the inauguration of a bowling team in the Peninsula Bowling League. The Daly City aerie will entertain a team in this league. George Rosaia has been named as captain of the team.

Besides Rosaia, the Daly City team will be composed of Guida Lazzari, Dick Crane, Julie Selmi and Nate Pearlman.

Other teams which will participate in the league include the Casa Mateo Lounge, San Bruno Legion Post No. 409, El Camino Creamery, Bordens, and the San Bruno Lions Club.

FREE LECTURE In SAN MATEO

"Christian Science: The Science of Existence" is the title of the free lecture on Christian Science to be given in the edifice of First Church of Christ, Scientist, San Mateo, Sunday afternoon, May 11, at 2:30 o'clock by Dr. Hendrik J. de Lange, C.S.B. of New York City.

Dr. de Lange is a member of the Board of Lectureship of The Mother Church, The First Church of Christ, Scientist, in Boston, Massachusetts.

Attend Convention In Redwood City

The following members of Crocker P.T.A. attended the Seventeenth District convention held last month in Sequoia Union High School at Redwood City:

Mrs. Eve Hobbs, president; Betty Kohlbrener, Emma D'Isep and Frances Haussler.

Shower Honors Edith Fasshauer

Mrs. B. Janssen, of 63 Woodrow, was recent hostess for a miscellaneous shower for the bride-to-be Miss Edith Fasshauer. The Janssen home was decorated throughout in white with miniature wedding bells, white flowers and the gift table was centered with a white umbrella. The cake was decorated with "Good Luck to Edith."

Those present were Mesdames Alice Walsh, Mary Crane, Marcie Trier, Margaret Day, Pearl Jones, Susie Sanders, Sylvia Hassett, Virginia Tabarez, Pat Arnaudo, Adele Rachioni, Fay Leger, Virginia Sibico, Josephine Rivas, Eloise Harrison, Anna Fresenborg, Julia Schauer, Betty Janssen, Emma Sorg.

Misses Eloise Harrison, Kathleen Day, Nancy Sorg, Barbara Capetanich, Shirley Jones, Irene Maloney, Josephine Rivas.

HEAVY FINES ASSESSED IN TRAFFIC COURT

Fines totaling \$499 were assessed seventy-four motorists who appeared before Judge William J. Sweeney in City Court last Friday on charges of various traffic violations.

Thomas L. Fowler, 155 Buchanan street, San Francisco, was fined \$100 and had his operator's card revoked for 30 days on a charge of drunken driving. He was arrested by Patrolman August Benassini on April 22, in the vicinity of the 7300 block of Mission street.

Charged with being drunk in or about an automobile, John French of Salinas paid a fine of \$50. He was arrested at Templeton avenue and Mission street on April 27.

Robert Wayne Herndon, 311 Acacia street, San Francisco, paid a fine of \$100 and had his operator's license revoked for thirty days on a charge of drunken driving and with speeding. The defendant was arrested Sunday, April 20, by Sgt. Rico Benedetti, who testified that Herndon was doing 60 miles an hour in a 25 mile an hour zone.

Flax Money-Maker

Flax has proven to be the number one cash crop in Minnesota and South Dakota, and it is only second to wheat in the wheat-producing state of North Dakota.

One of the Greatest Tributes Ever Paid to Any Car

—In a recent nationwide poll, new DeSoto owners were asked to compare their present cars with all others they had ever owned. The overwhelming majority said "DeSoto is the best car I ever owned, regardless of price." Notice those last three words particularly.

Mussels Are Now On The "Forbidden" List

A quarantine order forbidding the gathering of mussels from the California shore, including the Bay of San Francisco, was issued by the State Board of Public Health effective May 1. Local health officers have been instructed to post placards in conspicuous places warning the public of the quarantine and are charged with the enforcement of the order.

Only exceptions to the quarantine which is effective until October 31 is the gathering of mussels for fish bait. Such mussels must be processed with salt to render them unfit for human food and the containers in which they are placed must be labeled, "For fish bait only. Unfit for human consumption."

Reason for the Board action, which is taken annually, is that during the summer months a mi-

Rural Auto Accidents

Automobile accident rate on rural highways for the first three months of this year compares favorably with the rate for the same period of last year, declares the Public Safety Department of National Automobile Club. For this period there has been a reduction of 3.1 per cent in total reportable accidents, 6.0 per cent in number of persons injured, and 24.3 per cent in persons killed.

nute organism, the gonyaulax, is present in California waters. When this organism is ingested by mussels, the shellfish become poisonous.

The dark meat of clams may also be poisonous and should be trimmed off before cooking. Only the white meat of the clam should be eaten.

Mrs. Nell Dorrance Seeks Election As School Trustee

Mrs. Nell Dorrance (formerly Nell Van Heusden), who is a candidate for trustee of our Jefferson Elementary School district at the election to be held on Friday, May 16, at the local elementary schools, is the daughter of an old Daly City family. Her parents, the late Mr. and Mrs. John Van Heusden, settled here in 1908. Mrs. Dorrance was born in Daly City and received her education at the Woodrow Wilson grammar school and is a graduate of Jefferson union high school. Formerly in residence with her

parents on Woodrow street, she has since her marriage resided at 427 Irvington street. The mother of two elementary age school children, Mrs. Dorrance is naturally vitally interested in the public school system.

During the war, Mrs. Dorrance was an active worker on behalf of our San Mateo County Blood Bank. You may remember her picture appearing in this and other papers as a member of the Gallon Club for which she, personally, donated eleven pints of blood.

Mrs. Dorrance is actively interested in the welfare of the children in the community and as a member of the Daly City Recreation committee has helped to set up a recreation program which promises to develop into a really beneficial and educational program for the youth of our locality.

Longest Street
Figueroa street in Los Angeles is 27.5 miles long and the longest street in the United States.

A Real Palate Pleaser

By Frances Lee Barton

HERE is a new dessert that is both novel and nutritious — as well as delightfully delicious. Its rich, chocolatey flavor makes it a "special" treat fit for a King. Just the thing to serve guests when something unusual is desired. "Nuff" said! Make Brownie Pudding today and see for yourself.

Brownie Pudding

¾ cup sifted cake flour; 1 teaspoon double-acting baking powder; ½ teaspoon salt; ½ cup granulated sugar; 1 tablespoon Dutch process or breakfast cocoa; ¼ cup milk; 1 tablespoon melted shortening; ½ teaspoon vanilla; ¼ cup chopped nut meats; ½ cup brown sugar, firmly packed; 2 tablespoons Dutch process or breakfast cocoa; ¾ cup boiling water.

Sift flour once, measure, add baking powder, salt, granulated sugar, and 1 tablespoon cocoa, and sift again. Add milk, shortening, and vanilla; mix only until smooth. Then add nuts. Turn into greased casserole or small baking dish.

Mix together brown sugar and 2 tablespoons cocoa; sprinkle over batter. Then pour boiling water over top of batter. (This makes a chocolate sauce in the bottom of pan after pudding is baked.) Bake in moderate oven (350°F.) 30 to 40 minutes. Makes 6 to 8 servings. Note: Omit nuts, if desired.

Home Danger Center

Thirty-five per cent of all accidental deaths are due to accident on home premises.

Veterans Weekly News Column

Disabled veterans who are receiving compensation awards from Veterans Administration may soon find that the amount of their monthly check has been increased or decreased.

Veterans Administration is reviewing all disability compensation awards under the new rating schedule established by Congress in 1945. Until the new schedule went into effect most awards were being paid under rating schedules established by Congress in 1933 and 1925.

VA also considers the current condition of the veteran's disability when determining his new rating for compensation purposes.

About 25 per cent of the awards being paid to Northern California veterans have already been reviewed by VA. Of this number, 40 per cent were decreased, 20 per cent increased, and 40 per cent not changed.

VA estimates that nearly a year will be required to review remaining awards in Northern California.

Increases in awards resulting from the 1945 rating schedules will be retroactive to April 1, 1946.

The review is automatic. VA requests that disabled veterans do not make inquiries about their cases while they are pending.

Question: "I'm a World War I veteran and I was married in June, 1945. Is my wife entitled to receive a pension when I die?"

Answer: Your wife would not be eligible for a pension if you died less than 10 years after your marriage. The widow of a World War I veteran is entitled to receive a pension if she was married to the veteran before December 14, 1944, or for 10 or more years.

Question: "I am operating my own business but am losing money at present. As an honorably discharged veteran of World War II, can I claim readjustment allowances?"

Answer: If you served over 90 days, part of which was World War II service, you are eligible for a self-employment allowance and may file application at a local office of your state employment service.

Question: "Am I eligible to receive pension or compensation if I signed a statement at the time of my discharge saying that my disability existed prior to my enlistment?"

Answer: Under the GI Bill, any statement of this nature which you may have made at the time of your discharge is considered null and void.

DALY CITY UPHOLSTERY

Vets Reinstate Life Insurance

World War II veterans in California, Arizona, Nevada and Hawaii have reinstated 35,595 lapsed GI life insurance policies valued at \$241,956,000 since February 1, the Veterans Administration reported today.

Reinstatements in VA Branch 12 area, which includes the three states and the islands, compares to 365,339 reinstatements valued at \$2,287,878,000 for the country as a whole during the same period.

Veterans of World War II have until August 1 to reinstate their National Service Life Insurance under simplified procedures. Lapsed term insurance may be reinstated by mailing two monthly premiums and a signed statement to the effect that the veteran's health is as good now as it was on the date the policy lapsed to the Veterans Ad-

Don Day - Grace Day

Peeling Eggs
The age of eggs when boiled
makes a difference in the ease with
which they peel. Tests at Kansas
State college showed that eggs one
day old were hard to peel when
boiled 10 minutes then cooled in tap
water. Eggs five and six days old
peeled easily.

Traffic Violators - - -

"In seven out of ten fatal automobile accidents that occurred last year one or both of the parties involved were violating traffic laws," states Bert Stewart jr., of the Public Safety Department of National Automobile Club. "Legislators who devised these laws, which are based on common courtesies, did so to keep motorists out of trouble. Remember, the next time you cheat a little, you may be cheating yourself a lot."

Salary Increase Recommended For County Employees

The San Mateo Civil Service Commission at a meeting held Monday morning recommended a salary increase for 120 county employees and weekly hour cuts for 90 employees. Should the recommenda-

Trout Plentiful

Trout running from 12 to 14 inches are plentiful in Conn Dam, Napa county, reports National Automobile Club. Hundreds of permits to fish have been issued to anglers who plan to be at the dam on opening days of the season.

Plumas County Trout

Many limits of trout should be taken opening week end in the small lakes and streams of Plumas county. Water conditions for the opening seem to be ideal, and all lakes below 6000 feet are practically free from ice. Bait fishers will probably have the best luck.

tion be approved by the board of supervisors, it will add a total of \$58,009 to the county budget.

At the present time the total tentative salary budget is \$2,198,758, including \$23,009 listed for the salary hikes. It was pointed out that the remaining \$35,000 has been added by the supervisors to the unbudgeted reserve which will cover the cost of diminishing the working hours to 40 a week.

Motorists Must Display Two Auto Plates On Cars

Motorists who have received their 1947 license plates should place them on both the front and rear of their cars as soon as received, according to an announcement by Edgar E. Lampton, director of motor vehicles.

"Many motorists threw away their front license plate brackets when the state issued only one plate," Lampton said. "However, two plates are now provided all applicants and they should display both of them and not just one as some are doing."

The task of issuing more than three million plates is progressing rapidly, according to Lampton, with statewide check of all cars planned when all plates have been distributed.

Anglers At Lake Pillsbury

Trout anglers are looking forward to some fine fishing opening day on Lake Pillsbury, Lake county. All available boats, cabins, and other accommodations at the lake have been reserved for the opening of the season.

Old Tree

A giant sequoia tree lived to be about 1,335 years old on the west coast of the United States, according to the Encyclopaedia Britannica. Part of its trunk is kept in the Natural History Museum in South Kensington London.

Get B. F. Goodrich Silvertowns that OUTWEAR PREWAR TIRES

Interested in saving money? Here's your answer. The wider, flatter B.F. Goodrich tread puts more rubber in contact with the road.

This greater road coverage means more rubber to share the wear, less wear at any point, a longer lasting tire that covers more ground before its service life is ended.

Millions of test miles and actual experience in regular car owner

use prove this tire actually
OUTWEARS PREWAR TIRES.

Remember price is only what you pay... what a tire costs you is measured in length of service.

That's why we say... invest in the best... the new B.F. Goodrich Silvertown... costs less per mile... is best in the long run.

You pay no premium for the extra value features of the new B.F. Goodrich Silvertown... and per mile it saves you money.

Annual Fish Show To Be Held In S.F. May 11 to May 16

The annual Fish Show of the San Francisco Aquarium Society will be held at the Steinhart Aquarium of the California Academy of Sciences in Golden Gate Park from May 11 to May 16, it has been announced by Dr. John L. Kask, aquatic biologist at the Academy and chairman of the Show committee. The show is open to the public without charge.

Dr. Kask reports that more amateur and professional exhibits will be entered in the show than ever before. Ribbons and prizes will be awarded in five classes.

Class A: Community tank. Class B: Fish spawned and raised by exhibitors. Class C: Guppies. Class D: Junior display. Class E: Dealers' display. Additional awards are being donated by 16 dealers in the San Francisco Bay Area.

Judges for the show are Dr. George S. Myers of Stanford University, Dr. A. S. Campbell of Berkeley, and W. I. Follet of Oakland.

Dr. Kask says that small fishes are increasing in popularity as pets and that the Annual Fish Show brings the most colorful and interesting fishes together to compete on the basis of beauty and condition.

Narrow Escape For Family In Redwood City Fire

Mr. and Mrs. William Cesario of Redwood City and their three small children narrowly escaped with their lives 2 a. m. Saturday when fire swept their home at 1824 Hopkins street and did damage estimated at \$8,000.

Cesario was awakened by smoke pouring up through the flooring from a garage. He led his wife and three children to safety before the arrival of firemen.

Stripers Taken - - -

Striped bass running from 2½ to 4 pounds have been taken in the vicinity of Ryer Island, Solano county, reports National Automobile Club.

Sanitation Head Ousted From Office At County Seat

With the announcement last Saturday by Dr. Charles Gans, San Mateo County health officer, that John W. Fickeisen, chief sanitarian of the department, had been ousted from office on orders that County Executive Frederick Peterson, Carl W. Anderson, Fickeisen's attorney indicated that civil action against Peterson would be instituted if charges against his client failed to be upheld by the commission.

Dr. Gans, in advising the civil service commission of Fickeisen's dismissal, pointedly asserted that he was "acting under orders."

He further asserted that he "knew nothing of the charges brought by Peterson."

Last Friday, Peterson accused Fickeisen of taking a quantity of salvaged lumber and pipe from the grounds of the Canyon Sanitarium and using the material on his ranch near Redwood City.

Doctor Gans and Fickeisen, it is said, have long been involved in a feud between Peterson and the San Mateo health authorities. In 1944, Dr. Gans was dismissed by Peterson and later reinstated by the civil service commission.

State Fair Extravaganza

Adrian Awan and associates of Hollywood will produce the nightly grandstand extravaganza at the California State Fair in Sacramento, August 28 through September 7. Awan, who has produced many outdoor shows, was awarded the contract over nearly a score of other organizations and agencies. He is currently negotiating with such world-famed show names as Al Jolson, Eddie Cantor, and Paul Whiteman, for appearances at the Fair.

**STATISTICS SAID
Susie is Dead**

Long before Susie was born, some sharp-eyed statistician marked her up for dead. He didn't have Susie's address, didn't know her name. To him, she was just a fraction of a decimal—placed in the group of one of the "so-many-children-must-die-of-diphtheria-in-1946."

But Susie fooled the statistician. With the aid of modern science she is very much alive today. For widespread vaccination of children has stripped diphtheria of much of its dread.

And this is but a single instance. In many other ways our

healing arts have struck out at traditional enemies of childhood. The result is that your child today has a substantially greater life-expectancy than you had a generation ago. Do not fail, in the interests of your family, to command the full measure of recent scientific knowledge.

Consult your Physician

To get well—and to keep well—is a common obligation. Consult your Physician. Heed his experienced counsel. And we hope you will bring his prescriptions here for careful compounding by our skilled pharmacists.
